# REPORT OF THE INDEPENDENT AUDITOR TO THE MEMBERS OF GUARANTY TRUST BANK (GHANA) LIMITED

#### REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of Guaranty Trust Bank (Ghana) Limited (the Bank) as set out on pages 11 to 64. These financial statements comprise the statement of financial position as at 31 December 2013, statement of comprehensive income, statement of changes in equity and statement of cash flow for the year then ended and a summary of significant accounting policies and other explanatory information.

#### Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with International Financial Reporting Standards and with the requirements of the Companies Act, 1963 (Act 179) and the Banking Act, 2004 (Act 673) as amended by the Banking (Amendment) Act, 2007 (Act 738) and for such internal control, as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.
