Guaranty Trust Bank (Ghana) Limited. API Terms of Use

Last updated: 5th April, 2019

Please read these Terms of Use ("Terms", "Terms of Use") carefully before using the API.

Your access to and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who access or use the Service.

By accessing or using the Service you agree to be bound by these Terms. If you disagree with any part of the Terms then you may not access the Service.

Purchases

If you wish to purchase any product or service made available through our API, you may be asked to supply certain information relevant to your Purchase including, without limitation, your debit or credit card details, personal information etc.

Unauthorised Access

The User will be held solely liable, in full, for using and safekeeping their API Key. The User may not obtain an API Key for third parties, transfer, or provide it to third parties.

Guaranty Trust Bank (Ghana) Limited will not be held liable for unauthorized use of the API Key by third parties. All actions performed in the Service with the API Key

belonging to the User will be deemed to be performed by the User.

Interpretation of Data

The User will be held solely liable, in full, for misinterpreting the input and/or output data provided by the API. Any confusion with respect to the interpretation of data should be referred to us.

Termination

We may terminate or suspend access to our Service immediately, without prior notice or liability, for any reason whatsoever, including without limitation, your breach of the Terms.

All provisions of the Terms which by their nature should survive termination shall survive termination, including, without limitation, ownership provisions, warranty disclaimers, indemnity and limitations of liability.

Content

Our Service allows you to post, link, store, share and otherwise make available certain information, text, graphics, videos, or other material ("Content"). You are responsible for the altering and storage of such data.
